DEMOCRATIC RALLY

Remember that on Monday, October 8, the democracy of Marion county will have a rally in Ocala, with such speakers as Governor-elect Jennings, Congressman R. W. Davis and other democratic spellbinders. Democrats of Marion, give them a rousing meeting.

NASH IS READY

NATIONAL DEMOCRATIC CLUBS

The meeting of delegates from democratic clubs all over the country at Indianapolis Wednesday was an immense and brilliant gathering. Fully 50,000 people were present, including the peerless Bryan. Clubs are organizing at the rate of 500 per day and to date there are 7353 democratic clubs, with an average membership of over 200. It foretells the election of Bryan.

THE COAL STRIKE

The situation remains the same in the Pennsylvania coal regions. No strikers have returned to work and no company has sent any communications to its employees offering to increase their wages 10 per cent.

The miners are in need of food and steps are being taken to supply them by the unions.

A TERRIBLE STATE OF MIND

Editor L. Willie, of the Bellevue News-Letter, bawled almost a column's worth of pricked conscience in a late issue of the Jacksonville Metropolis, trying to show that Bittinger, of the Star, and Miller, of the Dunellon Citizen, and a reputable citizen who said Editor L. Willie told him he was paid for advocating the removal of the state capitol to Jacksonville, are all "cheerful liars."

So far as the editor of the Star is concerned, he can stand it if L. Willie can.

AS REFLECTED IN A MIRROR

We can not believe that the citizens of Jacksonville will endorse the attitude which the Metropolis assumes toward those who oppose the removal of the state capitol. In its wrath it accuses us of ingratitude and jealousy because we do not see fit to increase our bonded indebtedness just to gratify the ambition of a few politicians who seek to become prominent on the removal question. Abuse can not be substituted for argument, nor is it calculated to build up friends for Jacksonville.—Fernandina Mirror.

HIS LIFE WAS SAVED

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong, I can't say too much in its praise." This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cents and \$1. Trial bottles at 10 cents at Garrett & Gerig's and all other drug stores; every bottle guaranteed.

UNWORTHY A PUBLIC SPEAKER

It is to be regretted that the Jacksonville removal speakers fell into the mistake last night of dropping into personalities. The Press urged a large and respectful gathering, believing that the speakers were here to discuss the capital question and not to slander and heap abuse on individuals. The remarks of one of the speakers were not only ungentlemanly and unworthy a public speaker, but were cowardly as well, as he took advantage of the absence of the individual he so blatantly slandered.

To the ladies and respectable people who were so unfortunate as to have been present when the language was used, the Press apologizes for having urged their attendance.—Pensacola Press.

CANCER Cannot be Cut Out or Removed with Plasters

Surgical operations and flesh destroying plasters are useless, painful and dangerous, and besides, never cure Cancer. No matter how often a cancerous sore is removed, another comes at or near the same point, and always in a worse form. Does not this prove conclusively that Cancer is a blood disease, and that it is folly to attempt to cure this deep-seated, dangerous blood trouble by cutting or burning out the sore, which, after all, is only an outward sign of the disease—a place of exit for the poison?

Cancer runs in families through many generations, and those whose ancestors have been afflicted with it are liable at any time to be stricken with the deadly malady.

Only Blood Diseases can be Transmitted from One Generation to Another

—further proof that Cancer is a disease of the blood. To cure a blood disease like this you must cure the entire blood system—remove every trace of the poison. Nothing cures Cancer effectually and permanently but S. S. S.

S. S. S. enters the circulation, searches out and removes all taint, and stops the formation of cancerous cells. No mere tonic or ordinary blood medicine can do this. S. S. S. goes down to the very roots of the disease, and forces out the deadly poison, allowing the sore to heal naturally and permanently. S. S. S. at the same time purifies the blood and builds up the general health.

A little pimple, a harmless looking wart or mole, a lump in the breast, a cut or bruise that refuses to heal under ordinary treatment, should all be looked upon with suspicion, as this is often the beginning of a bad form of cancer.

Mrs. Sarah M. Keeling, 94 Windsor Ave., Bristol, Tenn., writes: "I am 41 years old, and for three years had suffered with a severe form of Cancer on my jaw, which the doctors in this city said was incurable, and that I could not live more than six months. I accepted their statement as true, and had given up all hope of ever being well again, when my druggist, knowing of my condition, recommended S. S. S. After taking a few bottles the sore began to heal, much to the surprise of the physicians, and in a short time made a complete cure. I have gained in flesh, my appetite is splendid, sleep is refreshing—in fact, an enjoying perfect health."

Our medical department is in charge of physicians of long experience, who are especially skilled in treating Cancer and other blood diseases. Write for any advice or information wanted, we make no charge whatever for this service.
